Dawn

Misty mist

On the shore of the East Sea

Looking into the distance

For the first ray of light

Long night

Alone as ascetic monk

Not sunrise waiting

For comfort, courage and strength

Pine and cypress

Cracked rocks

Overlapping clouds

Stretching mountains

Finally, and suddenly

Breaking through the darkness

Casting thousands of beams

Tears blurred my eyes

The very light of hope

The dawn of victory

Night is no longer long

Heart is no longer cold
